July 30th, 2022

Edward, Sr. Manager
Fluor corporation, 1809 Center Street
Deer Park, TX 77536.

Dear Edward,

I am a Junior Architect Engineer currently looking for Design Engineer roles. I have 1 year of experience as an Architect Engineer. I am a strong building designer, with experience in multiple software like AutoCAD. I am self-sufficient and be able to perform duties as assigned. I am looking for a position in a dynamic and progressive team that is seeking a engineer role, who can help drive the team's efforts to provide exceptional services and experience to customers.

I am very professional with my work and will show commitment to my work and take pride in my work. I have worked in a team environment, and I know the various designing processes that been assigned to me. I am confident and I will work very efficiently and effectively, take notes of all the things, and then carry out the procedures.

I am very excited about this opportunity and would love to speak with you further about how my skills and experience will be helpful to you at Fluor corporation. I can be reached by phone at 713 828 0399 or via e-mail at manojyarapathineni172@gmail.com to coordinate an interview. Thank you in advance for your time and consideration, and I hope to hear from you soon.

Sincerely,
Manoj Yarapathineni
